Highways England advised of lights maintenance works on the A52 from Gamston Roundabout to the Wheatcroft roundabout starting October 2019 and continuing through to February 2020.

Scope wrote seeking a pitch for a clothes bank recycling facility but members felt unable to offer a suitable site.

The National Audit Office advised of a new Code of Practice paper for Parish Councils.

8] PLAYING FIELD

Coun. Bingham said they were continuing to look for possible grants towards the cost involved to update the play equipment on the playing fields and were asking the Crown if they might be agreeable to the transfer of some of their land adjacent to a property that backed on to the playing field. Plans were in hand for another Clean Up day on the site.

VE75DAY Plans for the village to mark the milestone date in May 2020 were being discussed and it was hoped to be able to appoint a Working Party to head the arrangements.

The question of the moving of a refuse bin on the Strawberry Fields land was raised.

Heavy rains recently had created flooding on several roads in the village. The need for roadside drains cleansing work was raised.

13] CHAIRMAN'S MATTERS

Village Hall – I have now got all the quotes in for the refurbishment and have had the ok from Henry Spencer, Agent for the Crown, to carry out the external repairs that are necessary. In respect of decorating the kitchen I suggest we go ahead with booking this as the quote is under £500 and it is looking very shabby.

The flooring quotes vary from £870 to £1244. A decision needs to be made as to whether we go ahead and pay for this out of our own funds which include the £190 donated by Coffee Pot or try to get a grant for this as well as the external work.

We are still generating a good income from hiring the hall out so I think it's important that it's fit for purpose.

As requested at the last meeting we have purchased a new kettle and a new urn.

Showcasing Nottinghamshire – I was very kindly invited by Coun. Cutts to attend this event which was not only a very pleasant occasion but an extremely interesting one with many of the services offered by the County Council on show alongside organisations promoting the wide variety of facilities we have available to us in our local area. One particular item of interest was the OS maps for footpaths around our village as I think, with the changes being made to who is farming the different areas, we need to be able to provide clear guidance for residents and visitors alike. I am in the process of applying for a copy that we will be allowed to display both at prominent points around the village and on our website.

Brian and Sue Squires – as members were aware the couple had moved to their new home in Radcliffe on Trent, a letter was sent to them thanking them for their years of service to the village which Coun. Cutts very kindly put her signature to. A copy was given to all members..

Planters – As members may have noticed the plants were looking somewhat past their best so if everyone agrees we will purchase some winter pansies and replace the existing flowers. We will also put the fourth planter in place.

14] AGENDA ITEMS FOR NEXT MEETING NOVEMBER 27, 2019
