## **FIRE SAFETY PROCEDURES**

Please take time to familiarise yourself with the Fire Exits, located in the Main Hall and the Kitchen, and the Fire Assembly Point, located in the car park next to the Bottle Bank.

You will notice there is Emergency Lighting above both of these doors and the Main Entrance, both the External Kitchen door and the Main Entrance are fitted with thumb locks, this enables them to be unlocked from inside without the need for a key.

There are several Fire Extinguishers located around the hall and a Fire Blanket on the wall in the kitchen.

Please adhere to the signs advising you to keep the fire doors closed at all times for your own safety.

The internal Kitchen doors are fitted with Fire Strips which provide an airtight space in case of an Emergency.

Thank you for your co-operation.
