

CHAIRMAN'S MATTERS JULY 2023

Things have been fairly quiet since we last met, so not much for me to report on here.

Village Hall - We are still making steady progress with the repairs needed to the village hall and as soon as the builder is free he will start our renovations, this will focus on the flat roofed extension, to include windows and guttering.

I have also asked the Electrician to provide a quote for an outside socket to be installed as this would facilitate use of different items outside.

Policing - I am attending the Police Priority Setting Meeting on Thursday 20th July so will report back on that at our next meeting, in the meantime I would like to **reiterate** the need for residents to report any incidents or concerns on the Police 101 line, when these calls are logged, it further ensures we get "beat hours" from our local teams.

D-Day 80th Celebrations - 6th June 2024 – We have now received information from NALC as to the requirements for us to mark this celebration, obviously we have time to discuss this as if we wish to log any events it doesn't have to be done until May next year but, as we know all too well, time flies and before we know it it will be upon us so, if you have any ideas of how we should mark this very special occasion please let me know.

There is some really interesting pieces in the information booklet so please take a few minutes to have a look at it.

Mike Elliott – I wanted to mention Mike, as we all know he has been rather unwell over the last few months however I'm pleased to say that, at the moment, he is back in his own home and is doing well. Apparently he has to keep going in and out of hospital and how long this will continue I don't know but, if you have a spare minute please give him a call as he would appreciate a chat.

Village Events - I'm very pleased to say that a new group of residents have set up a village social group with a view to both bringing back some events from the past as well as organising new ones so lets hope it's a great success.

Thank you as always for your continuing support,
Bev Bingham
Chairman.
